

We hosted Shirley's Dirty Bingo XXX for the first time this year at Georgian College's Pub, "The Last Class". The student's absolutely loved it, and we got such great feedback from the first event that we decided to hold it again within a couple of months. The word spread, and we had to turn people away at the door because of capacity. Shirley kept everyone in stitches, and people were coming up to me and thanking me for bringing Shirley to the TLC. It has become such a hit that we have already booked 4 new dates with Shirley for the new school year. I would highly recommend Dirty Bingo to any Campus Pub, or establishment who wants to do something a little edgy and different.

Thanks for a great event!
